

BAPTIST CHURCH SPLITS

Number of the Membership Withdraw and Will Hold Services in Opera House.

Hawesville, Ky., Dec. 26.—Owing to continued dissensions, it is said, a majority of the members of Hawesville Baptist church have withdrawn and have succeeded in forming another, or the Second Baptist church of Hawesville. The organization was effected with James Terrill as moderator and T. D. Hale as clerk. Rev. Thos. Brown was called as pastor for the year 1911, and for the present the meetings will be held in the Hawesville opera house. It is the intention of the new congregation to build a church in the early spring, and it is known that they already have on hand quite a neat sum as a nucleus for the proposed building.

Returning Soldiers Say Japs Are Imposing on U. S.

United States Army officers recently returned from the Philippines are much concerned over the activities of Japan in the Far East, according to a story from New York. The charge is made by these officers that the Japanese deliberately sank the great dry dock Dewey in Subig Bay.

Make Up Your Own Mind

When in the need of cough medicine. If you buy Dr. Bell's Pine-Tar-Honey we guarantee you get the best.

A Disgraceful Record.

In an article in the University Magazine on "Divorce in Canada and the United States," Mr. E. P. Walton says there were 1,274,344 divorces granted in the United States between 1867 and 1906, and that in the same period there were only 431 divorces granted in Canada.

Something Just as Good

Can only be the case when it is another bottle of Dr. Bell's Pine-Tar-Honey. Every bottle the same. Look for the bell on the bottle.

Firebug Arrested.

John Karnego was arrested by the Philadelphia police and charged with setting fire to the leather factory in that city, the extinguishing of which cost the lives of thirteen firemen and a policeman.

Stork Visits Princess.

A daughter was born at Madrid to the Princess Louise, ex-wife of Prince Charles of Bourbon-Siciles and daughter of the Countess of Paris.

Try It, Try It

Try Dr. Bell's Antiseptic Salve for all skin troubles. It is as pleasant as sweet cream and guaranteed to give satisfaction in worst cases. 25c a box.

Denied a Pleasure.

John Aliff, who traveled 300 miles to Moundsville, W. Va., to witness the execution of Thomas Wayne, a negro who killed Mrs. Aliff, was persuaded by relatives not to witness the execution.

Smells Already.

The Paducah News-Democrat, discussing the machine primary says: "The committee has not fixed an entrance fee as yet, though this probably will be nominal because of the 'patriotic' side of the affair. The sub-committee that will arrange the details, it is understood, will invite contributions from every Democrat in the state, but the prevailing impression is that one or two wealthy politicians will finance the whole affair."

This means, of course, that a slate will be fixed up.

Christmas Killing.

Mason Thomas, a blacksmith, shot and probably fatally wounded Henry Hawkins during a quarrel at Mt. Sterling last night.

GIRL BABIES ARE MORE VALUABLE THAN BOYS

Kansas City, Dec. 26.—Girls babies are worth more than boy babies so far as supply and demand govern their values, according to a statement made yesterday by R. Y. Maloney, superintendent of the Kansas City office of the Children's Home Foundling Society. The society, says Mr. Maloney, has on hand twenty-three boys and six girls waiting to be adopted.

"Of every ten applications we have for children, eight are for girls," Mr. Maloney said.

"Many women believe it easier to train a girl than a boy."

The society sends out babies on ninety days' approval. More boys are returned than girls.

You Can Always Get

The best cough medicine if you ask for Dr. Bell's Pine-Tar-Honey and look for the bell on the bottle. Guaranteed to give satisfaction. Sold everywhere.

Women In Germany.

Women are found working in the fields everywhere; they break stone for ballast for railroads; they serve as switchmen and flagmen at railway crossings, and in Poland, Bohemia, Bavaria and other parts of Europe they work as section hands in building and repairing tracks. I have never seen women laying bricks or cutting stone, but many a time I have seen them mixing mortar and carrying hods filled with brick up ladders to bricklayers at work on the top of a wall. All of that sort of work done upon the latest hotel built at Carlsbad was by women, and they were paid an average of 33 cents a day.

An American tourist stopped a woman in Munich who had a hod of brick on her shoulder, and in sympathetic tones asked her why she was doing that kind of work. The reply was hot from the bat. It was a "come back," as a slangful person would say, and the sympathetic American woman will ask no more such questions. The woman had carrier answered in an indignant voice:

"I work to help support and educate our children and to pay for our home. It would be much better if you helped your husband, rather than come over here and spend in idleness and dissipation the money he earns." Several unkindly epithets were added to give full measure to the reply—Wm. E. Curtis.

After 50 Years.

St. Paul, Minn., Dec. 26.—George W. Roberts, now 77 years of age, and his wife quarreled at the outbreak of the Civil War. Roberts joined the Union forces and his wife became a Confederate nurse.

Not long ago a patient of Mrs. Roberts in the South recognized a picture in her locket as that of Roberts in this city. Today they were united and applied for a license to remarry. This, however, was found unnecessary.

Spoiled Her Christmas.
